No reasonable or special suggestionsit's jst good
Well
No need
Using projectors
College not providing books
Please assign mentors to volunteer students(who wish) ,
Nothing everything is good
Good well to everyone
I request all lecturers to improve your stage strengh when you communicate with students $\widehat{\mathbf{M}}$
Excellent
Overall good

Unsatisfied with faculty

Nothing to say

Overall is very good responce

Firstly to provide a NEP books for us

Plz obey the weekly one day wear to colour dress

Atleast Weekly once we will have to wear the colour dress

NNo

Please Clear the concepts effectively, make teach slowly, otherwish all are good

Please prepare before while teaching

Mathematics teaching improvement

Some teachers are teaching excellent but we don't understand there talking what she /he told so please say talking style will be make it as clear

All is well

Giving the internals answer papers to me And sirs also no parshiyaliti for the students

Try to send students for intercolleges

Chick after Internal paper received to better

Internal paper recived to better

Want teaching with more examples

I think everything is good in our institute

Have to use digital boards

Good teaching keep it up

I think everything is good Much more effective skills and knowledge Well structured institute they had

:02 PM	Institutional Student Satisfaction Survey (SSS)
1.Now it is better but they should do m 2. They should spend more with us.	ore interact with students
The encouragement and monitoring	
Teach in the student andrstnding langu	lage
Please make a notes as early as possib	ole before exams

Student Feedback on Curriculum Improve the quality of teaching Study material facilities should be provided.. Make certain timetable for completing syllabus We want some more NEP text books for reading to all **Excellent teaching** No Suggestions College is very strict little loose in rules and regulations Teachers look one eye to the students extra knowledge except syllabus Yeah! Good Please try to conduct a field trips for the students Keep it GOOd Time management and regular attend Doing lot of g ood cultural program Improve library History Teaching Is Not Satisfection.. My reviews above shall suggest everything. The maths subject didn't take class from the semester start they take the class from after completing the all semesters syllabus All is carect Good teaching need little more than it

Everything is good but someone subject teaching are not well so please improve those problems

Nothing sir

Nothing sir

Good teacher

Try to focus more on practical and applied theory

Good teaching sir.

Each and every is to be get deep knowledge of thier respective subjects

Don't irritate and students ನ್ನು ಭಯ ಬಿಳಿಸಬೇಡಿ

Compertable

All are good

Please end the college before 1.30 It's ok to start at 7 o clock

Very good

Need of effective and efficient management.

One lecturer is good enough for only one subject in my opinion

STUDENT SATISFACTION SURVEY REPORT 2021-22

Student Satisfaction Survey (SSS) is one of the mandatory criteria set by National Assessment and Accreditation Council (NAAC). It is also a pre qualifier for assessment and Accreditation of the institution. SGVVT'S Shri Gavisiddeshwar Arts, Science and commerce college, Koppal conducted this survey in order to get feedback from students to assess the teaching learning outcome and identify the grey areas which is reflective of the institute. The survey is also held as a guiding blue print to enhance the quality of teaching learning experience and streamline the same in the future.

The Student Satisfaction Survey by NAAC primarily focuses on Teaching Learning Evaluation. It collects in depth data of a student's satisfaction with the teaching learning environment of the college. The students' responses are collected and analysed based on 21 questions designed by NAAC. After going through the question set one understands that the feedback collected from students is definitely useful for the streamlining the services offered to students. It is well observed that the survey was created by experts and leaders in the education to assist the educational institutions to define the success of the most important aspect of education teaching and learning. The results of the survey summarize the expectations of the students and experts' educationalists and the extent to which the College was able to meet these expectations.

Instructions to fill the questionnaire:

- 1. All question should be compulsory
- 2. Each question has five responses, choose the most appropriate one. The responses given by the students for the questionnaire provided to the students are given below.

Students Observation:

- 1. Teaching is very well.
- 2. Teacher motivating the students to follow the rules and maintain the discipline among students.
- 3. College need updated canteen facilities
- 4. College need to enhance with more Technological tools such as LCD projector, Multimedia.
- 5. Need Permanent lecturers and updated Lab instruments
- 6. Needs to take care about mental health of students and extend the rate of extracurricular activities.
- 7. Need some extra books in Library.
- 8. To develop multiple opportunity learning & to grow
- 9. Make sure that every student is mentally active or healthy.
- 10. Appoint the qualified permanent lecturers.

Interpretation Remarks

- Regarding the coverage of syllabus, 85% of the students satisfied with the coverage of the syllabus.

Report on Teachers Feedback on Curriculum-2021-22

The feedback committees "Yathavath' has collected its feedback on 'Curriculum for the Academic year 2022. The feedback was collected through online mode through googol links. The questions were well structure and as per the norms of UGC and Prepared by a committee. This has been even accepted by chairman and Coordinator of IQAC.

A Google link was shared to the teachers of all streams to ask about the feedback on curriculum. A total of 18 responses were received.

- The first question was asked about the **Syllabus is suitable to the course.** Over 55.5 of teachers were happy about the syllabus.
- Regarding **Syllabus is need based**; over 83.4 % teachers were responded excellent.
- Aims and Objectives of the syllabus are well defined and clear to teachers and students. Over 77.8 % of the teachers were satisfied with good, very good and excellent for aims and objectives of syllabus.
- Course content is followed by corresponding reference books and materials: Regarding the Course content is followed by corresponding reference books and material only 3 % teachers were not satisfied.
- The course has good balance between theory and lab: On a whole, majority of teachers were satisfied with the course has good balance between theory and lab.
- The course/syllabus of the subject increased my knowledge and perspective in the subject area: about 6 % of the teachers were not satisfied with the course/syllabus of the subject increased my knowledge and perspective in the subject area.
- The course/program of studies carriers sufficient numbers of optional papers: Majority of teachers were happy about the course/program of studies carriers sufficient numbers of optional papers
- The books prescribed as reference materials are relevant update and appropriate? Over 88.9% of teachers were happy about the books prescribed as reference materials are relevant update and appropriate.
- ICT Infrastructure provided by the college for effective curriculum delivery over 89 % of teachers s were satisfied with good, very good and excellent ratings.
- Evaluation reforms mode by the college in current evaluation system: 89 % of teachers were happy about evaluation reforms made by the college in the current evaluation.
- **Co-curricular activities implemented by the institute.** Majority of the teachers were happy about the Co-curricular activities implemented by the institute.
- Curriculum related educational facilities provided in the college: only 5% of the teacher were satisfactory about the curriculum related educational facilities.
- The present NEP Syllabus is based on LOCF (Learning Outcomes Based Curriculum Framework): only 5.3% of the teachers were not satisfied about the present NEP syllabus is based on LOCF.
- The curriculum is integrated with cross cutting issues: only 5% of the teachers were not satisfied for this particular question

Suggestions and Action Taken Report of the Faculty:

Suggestions:

- Conduct orientation on how to publish research papers and develop research facilities and incentives.
- Required to attract meritorious students. Student strength has to be improved. Students should be tested during the admission time as many of them are not able to understand and write simple English. Fee payment must be allowed in instalments.
- Any format related to mentoring or attendance etc. should be fixed once instead of changing it again and again.
- Need to develop staff friendly atmosphere in the college. Staff should have the freedom to express their opinions as well as their difficulties in implementation of things related to college.
- Need to delegate work depending on the capability of the individual.
- Basic cleanliness and hygiene are required in toilets, canteen and classrooms. Toilet facilities for faculty need to be improved. Drinking water facility has to be created separately for staff.
- Gardeners should be appointed to improve the eco-friendly environment and beautification of the campus.

Action taken Report:

- Faculty development programmers are organized at regular intervals to develop research and quality in teaching/learning and mentoring.
- Students are tested before admitting them into various groups. Every faculty member needs to work hard to improve the strength.
- Formats for mentoring are finalized before sending them to faculty. Minor changes are made when necessary.
- Staff are allowed to express their views for the betterment of the college as and when required.
- Cleanliness and hygiene are taken care of in the classrooms, at canteen and washrooms.

• Gardner is appointed to improve eco-friendly environment and beautification of the garden.

- The design of experiments is related to class theory, 95.45% of the alumni say design of experiment is related to class theory.

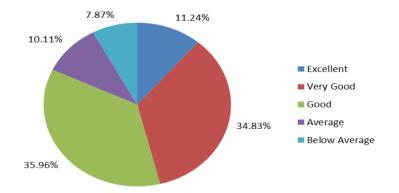

1. How do you rate the courses that you have learnt in the college in relation to you current job / occupation?

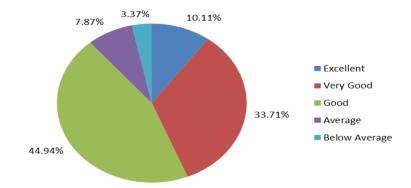

2. Infrastructure and Lab facilities

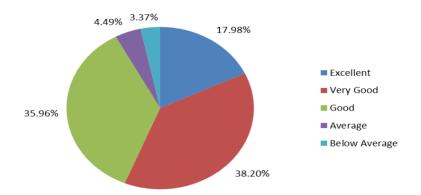

3. Faculty

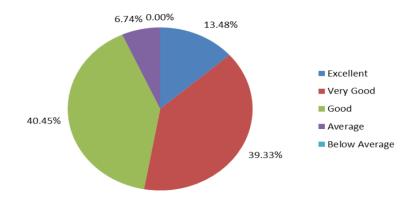

4. Canteen Facility

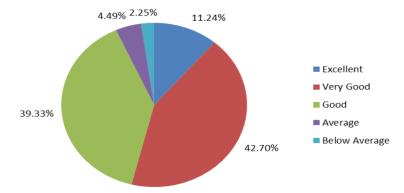

5. Library

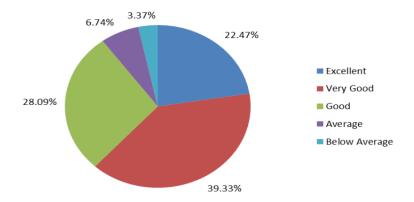

6. Office Staff

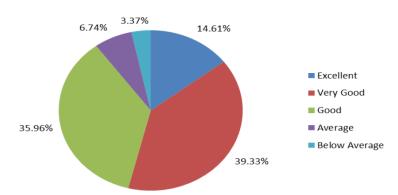

7. Hostel Facilities

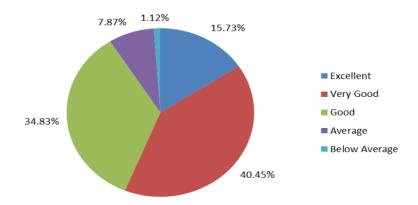

8. Educational Resources

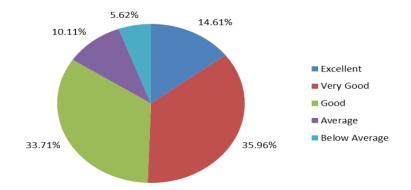

10. Overall Rating of the college

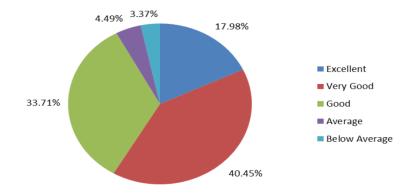

11. The curriculum relevant to your job and future aspirations

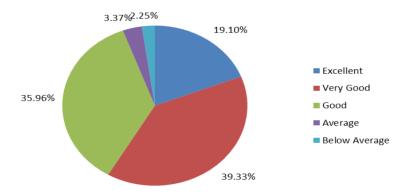

12. The sequence of the courses included in the programs

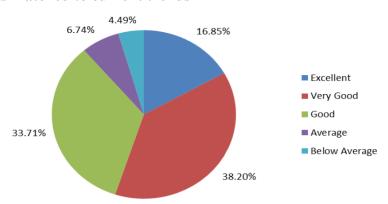

13. The curriculum helps you to improve your inter and intrapersonal skills.

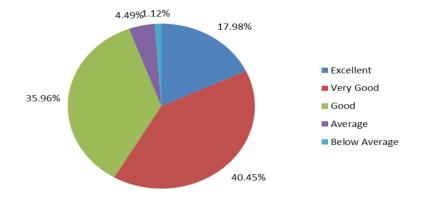

14. The structure of syllabus prescribed for the programme

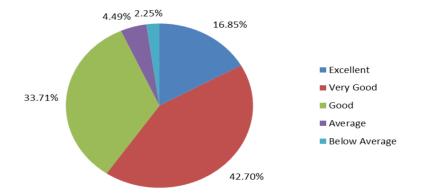

15. Curriculum is matched to current trends

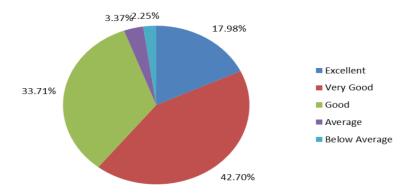

16. The availability of materials and references regarding curriculum

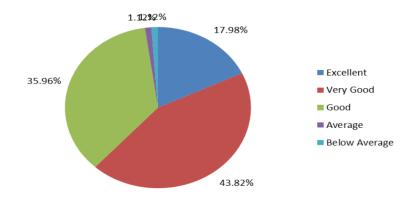

17. Choice Based Credit system being in relation to national and global trends

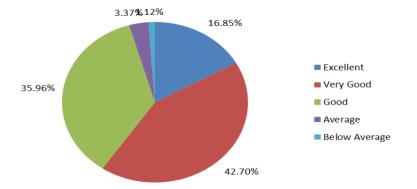

18.Project work/Internships offered under your programme was challenging and constructive

19. The depth and load of course content including project work

20. The design of experiments is related to class theory

Suggestions: The following suggestions can be deduced from the analysis of alumni feedback

- More alumni involvement in college events.
- Indrocues the job/ skills relevant course.
- Improvement in canteen.
- More transportation facility for students.
- RO WATER for drinking.
- Campus should have WI-FI connectivity.
- More books on newer topics in the library.

ACTION TAKEN REPORT

- The college has taken sets to enhance participation of alumni in college activities and events.
- Introduces the relevant certificate courses.
- The college contemplating to avail assistance of alumni in annual gathering.
- The college has installed RO water system and the alumni contributed in college well
- The college provided WI-FI connectivity in the campus
- College library is updated by purchasing new books.
